Scope of Review re Challenges to Antiquities Act 9 6 17.docx

Jack/Dan:

Here's a list of things I thought might be useful. I've attached the one that you may not have handy.

1. Our letter to OLC (not attached).
2. The memos/draft procs (not attached).
3. Our draft memo on the scope of judicial review (attached).
4. Our memo on the Congressional ratification arguments with respect to GSENM. Josh and I are working to finish this up today and will send it to you (even if in draft form) as soon as we can.

Of course, happy to talk as well if that would help and provide anything else you might need.
